

**National Association of Women in Construction Dallas Chapter  
Scholarship Application  
2005**

Please type or print clearly in ink. Complete all sections even if enclosing a resume. Use N/A if question does not apply.

**Selection Process:** The Scholarship Committee of the National Association of Women in Construction Dallas Chapter will review the applications. The most qualified applicants will be notified by letter and may be asked to interview with the Scholarship Committee. All applicants will be notified of the committee's decision.

**Student Criteria:**

1. Applicant must be a second year student in a construction-related college or trade program. A student with a certificate from a one-year training program is eligible.
2. A transcript of grades from college or training program must be submitted.
3. Applicants with a certificate from a one-year training program must present documentation of that program.
4. Applicants must have a high school diploma or its equivalent (GED).
5. Applicants must demonstrate financial need as shown by the total gross household income of the applicant based on his or her most recent federal tax return (or if a dependant, his or her parent's or legal guardian's return) and applicant's estimates of the expected tuition, fees and books.
6. Applicant must demonstrate an interest in or desire for a career in the construction industry.
7. Applicants must submit a letter of recommendation and a personally written letter requesting the scholarship and stating the possible benefits.
8. The application is valid for one academic semester only. The student must reapply for a second semester.
